## After School Program

We offer an after school program for 2K to 6<sup>th</sup> grade students that allows students to stay at the kindergarten until 5:30. This program is helpful to parents who work during these hours or would like to pick up their kindergarten student when picking up their older student at 2:40. Features of our after school program include –

- Fun play time! Students have more time with friends, mostly outside ☺, unless the weather does not permit.
- Extra time for academics! Teachers use this time to work on certain skills with students one-on-one if needed. Elementary students who have homework attend the homework room.
- Rest time. If you would like your child to rest/nap, we have an hour rest period after lunch.
- Afternoon snack.

The program is divided into two separate fees. The fee to stay from 12:00 until 2:40 (main school dismissal) is \$70.00 per month and is due by the tenth of each month. The exception to this fee are the months of August, December and May in which the fee will be \$55.00. The August fee is due the first week of school. An hourly fee of \$4.00 is available for occasional use.

The fee for staying past 2:40 is a flat fee of \$35.00 per week or \$4.00 per hour or any part of an hour. This fee is due each Friday when you pick up your child or you can pay it monthly in advance.

Please pick up your child by 5:30. The teachers plan their schedules based on this closing time. Anyone abusing the time limits will be charged \$5.00 per 10 minutes they are late.
