**For your convenience, the Business Office has incorporated the Book Fee and Capital Building Fee into the Total Year Tuition/Fees payment. This allows you to spread the fees over the course of the year. If you have any questions regarding this, our Business Office will be happy to help you.**

## EXPLANATION OF FEES

**Application Fee:** All families must pay a \$100.00 **non-refundable** application fee when the application is submitted. This fee covers the administrative cost of processing the application. All students enrolling after September 30<sup>th</sup> of the current school year will be eligible for a pro-rated tuition schedule but will have all fees paid in full.

**Materials/Book Fee:** This fee is applied per child and covers part of the expense for new textbooks and materials pertinent to classroom use.

**Capital Building Fee:** This is a payment of \$200.00 **per family** per year. The primary purpose of this fee is to provide for the mortgage payments for Newberry Academy.

**Extracurricular Fees:** There are many programs offered in addition to the core curricula at Newberry Academy, and there are additional costs involved. These fees must be paid prior to registering and/or participating in each activity and are not part of the payment schedule. While the exact fees will be finalized in the summer months, samples from 2016-17 include:

Athletics:	\$60.00 per child/per sport (\$300.00 maximum per family)
Jr. Civitan:	\$25.00 per child
Jr. and Sr. Beta Club:	\$25.00 per child
Band:	\$150.00 per child

**Parents Council Fees:** For school year 2017-2018, the Parents' Council fee of \$350.00 per family will be due at the beginning of the academic year. As a part of this program, parents are required to fulfill eight hours of school service; after which, the money paid will be automatically credited for the following school year and no money will be due for that subsequent year. For families that do not fulfill their eight hours of service for the school year, the \$350.00 will again be due at the beginning of the next school year. Please see the *Parent/Student Handbook* for further details on the program.

**Withdrawal Policy:** If a student is withdrawn during the school year, please refer to the Enrollment Agreement for withdrawal protocols. Both the Book Fee and the Capital Building Fee are due for the entire year. All account balances must be paid in full before student records can be released.
