All banners will be displayed outdoors on the fencing during football season and indoors during basketball season. The scoreboard signs will hang during football and baseball seasons. If the banner is for a business, please email Scott Gardner at sgardner@newberryacademy.com with the design for the sign. If the banner is for a family, please include in an email to Scott the inspirational message for Academy athletes that you would like displayed. Or, if you would simply like to display the years of your children, both past and present, as a display of support for our athletic teams and Newberry Academy, that would be welcomed as well.
