

## Summer Reading for Middle School 2023

### Required Reading

Be prepared for a multiple-choice test on the book when you return to school. This test will count as a major grade for the first quarter. This novel will also be our first unit of study.

**Rising Sixth Grade:** *Wonder* by R. J. Palacio (Although there is a movie for this novel, there are significant changes and omissions in the movie version! Read the book!)

**Rising Seventh Grade:** *A Long Walk to Water* by Linda Sue Park

**Rising Eighth Grade:** *The Outsiders* by S. E. Hinton

### Choice Reading

Choose a second book to read. This book must be at least 175 pages and be at an appropriate reading level for your grade.

### Task for choice reading:

Choose one activity from each column of the choice board to complete. Be prepared to present one of your projects to the class during the first full week of school.
